

The Wheat Princess Jean Webster

Marcia Copley, an American Heiress, comes to Rome. Typically for the period, she may want to attract an aristocrat. He brings the title, she brings the money to support it. Her adventures in Rome are different then she anticipated. Rich and poor live side by side, and the author does her best to describe both walks of life vividly and truthfully. Jean Webster is the author of Daddy Long Legs and Dear Enemy. This particular novel would also please fans of Henry James and George Gissing. - Summary by Stav Nisser.
